

# ICG Presence Control

## Employee presence monitoring software

Employee  
Clock-in  
and Clock-Out

Daily  
leaves  
and incidences

Worked  
hours  
by employee

Reports demanded  
by labour  
regulations

### Main advantages:

- ✓ Employee Clock-in and Clock-out by password, card or fingerprint
- ✓ Detail of the clock-out reasons during the shift
- ✓ Employee additional information: contract, category/range, age, work schedule...
- ✓ Comparison between contracted hours and worked hours by employee
