

# Successful participation in EuroCIS 2019

The leading trade fair for Retail technology where CST has presented the new cash management equipment CashDro 6, CashDro 7 and CashDro Master for banking, malls and hypermarkets

DÜSSELDORF/GERMANY

One more year CST has participated in the leading trade fair for Retail technology that has been held in Düsseldorf, Germany. Participation has been a success due to the large influx of visitors to our stand located in Hall 10 of the fair. Hundreds of companies in the Retail and Cash Management sectors have become interested in the new CashDro global cash management solu-

The new CashDro Colombia and CashDro Uruguay concessions have been formalized

General view of the CST stand at the EuroCIS fair that was held in the German city of Düsseldorf between February 19 and 21, 2019.

ons for banking, shopping centers and hypermarkets. Visitors have been able to learn about new equipment such as CashDro 6, with a high-speed coin dispenser, CashDro 7, for businesses and companies with large

cash needs, and CashDro Master, for intelligent change management and cash deposit in shopping centers and bank offices. It has also been of great interest among visitors unattended point of sale T-Quiosk, available

with Android and Windows OS, and with different forms of payment (credit card, cash or dual). During the days of the Fair, new marketing agreements have been closed in the markets of Colombia and Uruguay.

For that reason, the president of the CashDro Colombia concession, Víctor Flores, and the general director of CashDro Uruguay, Adrián Weiszman, have gone to the fair in Düsseldorf to meet with the president

of CashDro, Andreu Pi, and sign the concession agreement. Both have shown satisfaction to work with one of the leading manufacturers of cash management equipment in the world, and be part of this great group.

Alfredo Mendoza (R+D CashDro Colombia director), Lluís Fernández, CashDro manager, Andreu Pi, CashDro president, Julio Lázaro, CashDro Colombia CEO, and Víctor Flores, CashDro Colombia president.

Eduardo Machado, CashDro Uruguay Sales Manager, Andreu Pi, CashDro president, and Adrián Weiszman, CashDro Uruguay managing director, after signing the marketing agreement.
