ATHENS

The ICG Greece Concession was present in the 14th edition of the HORECA 2019 Congress, the main exhibition of the hostelry and catering sector in Greece, that took place from the 8th to 11th of February at the Metropolitan Expo.

ICG Greece presented ICG and HIOPOS solutions, the cash management devices CashDro and unattended Point of Sale T-Quiosk in HORECA salon 2019

ICG Greece presented the ICG and HIOPOS solutions, the CASHDRO cash management systems and the Unattended Points of sale systems T-QUIOSK at the HORECA 2019 Congress.

During the days of the exhibition, in which over 150.000 visitors attended, many professionals from the hostelry and catering sector showed interest in the ICG Solutions, as well as the global and specific HIOPOS solutions for hostelry establishments, the CashDro cash management systems and the Unattended Points of sale T-QUIOSK exposed at the ICG GREECE stand.

Mr. George Tsopanoglous, the Manager of ICG GREECE, said that 'the ICG solutions were well received and successful among hundreds of companies that visited the stand thanks to its innovation, advanced technology and adaptability to different kind of businesses.' He also mentioned that the T-QUIOSK has been the product in which visitors have shown most interest in the exhibition.
